

# Viscount Beaumont's Newsletter

Spring Term Newsletter 2025  
24th January

## From Mrs Ryder-Smith

You may have seen an admin post advertised for 2 days a week at our school. This is because our fantastic Mrs Bee has been successful in securing a promotion within the trust which will involve her supporting other schools within Rise. Luckily she won't be leaving us!

Mrs Bills (formally Miss Williams) will be returning to teach Swallows class from February 4th. We would like to thank Miss Corbett for her hard work during her time at Viscount Beaumont's - luckily for me she is moving to teach at Swannington so we will still be working together.

Please check the dates for the Year 1 Phonics meeting and the Year 6 SATs meeting. You will also see the addition of the Year 2 Sleepover. We have not mentioned it to the children yet but I thought you would appreciate the advance date. The PTFA have also been extremely busy planning events to add to your calendars which you will see. We will continue to send you a Dojo to remind you.

Thank you for your continued support and as always, if there is anything we can support you will please ask.

## Collective Worship

We have been looking at Perseverance in Collective Worship. We have discussed how sports stars have had to persevere to succeed, and reflected on how we can keep going with small steps to achieve a larger goal.

"If you can? said Jesus. "Everything is possible for one who believes."

**Mark 9:23**

For more important dates, please visit our school website	

# Library Bus

Due to unforeseen circumstances unfortunately, we will not be having the Library Bus visits this term.

If you have any outstanding books these will need to be returned to your local library.

# Medicines

Please be reminded that all medicines must be taken through the office and correct paperwork must be completed.

**Please do not leave any medicine in your child(ren)s bag.**

# Rise

Flourish & Succeed

Rise are leading our Trust Inset Day on 14th February. This is training and professional development for all support staff from their 26 schools. Staff will have key note speakers in the morning and the choice of workshops to attend in the afternoon which link to their specialisms or interests.

# Gate Usage

Please can we ensure that we are not using the gate leading from the staff car park during pick up and drop off times,

If you have to use this gate, please take extra care as the car park is often busy with moving vehicles and deliveries.

# Science Fair 2025

March 13th 2:15pm- Parents welcome

The banner features the Viscount Beaumont's C of E Primary School logo on the left and the RISE logo on the right. The central text reads 'Science Fair' in a large, bold font. Below this, it says 'Viscount Beaumont's C of E Science Fair – 13<sup>th</sup> March' and 'Time: 2:15 – 3:15'. The background of the banner shows a child in a yellow shirt holding a small rocket-like object, with colorful balloons (yellow, blue, red) floating around.

Do you have a part of science that REALLY interests you?

It could be ANYTHING!

Would you be able to talk about it?

The theme in this year is 'Adapt and change'

**'Adapt and change' is a key theme in Science - The possibilities are endless**

## Remember:

You can do your project on your own or with one other person (including a sibling in the other class).

You must produce a display board that demonstrates your work. There is no set size for this.

The two winning projects will be chosen to enter the Ashby School Science Fair where pupils will experience a fun packed day of amazing science activities as well as present their own projects in the competition.

We look forward to seeing your projects! Have fun!

Mrs Compton - Science Lead

Our Junior Leadership team would like to invite children to wear something green on Friday 7th February to raise awareness of Children Mental Health.

If you wish to learn more about this fantastic charity or to donate please search...
